LAMBERT RANCH BUTTE BULL SALE 2023

Welcome to our 17th Annual Fall Bull Sale, we look forward to having you as our guests. What an exciting time it is to be in the cattle business with record breaking calf prices, plenty of moisture and lots of good feed and sunshine! We are very excited with this year's bull offering. We have added extra length, which results in more premium cuts. We have also focused on high quality carcass traits, without losing structure and durability. Our bulls are raised in the Rocky Mountains of Alturas, California and developed in the heat of the valley in Oroville, California, so no matter where you run your cattle, these bulls will thrive and add value to your calf crop. Hereford and Angus genetics combined create the most profitable, predicable and manageable cattle that will keep you in the cattle business for generations to come.

*Steve and the 4th Generation
Cooper, Luke, Jack and Austin*

We are once again so pleased to have a top-quality offering of Angus Bulls from Sunbright Angus and Westwind Angus. The Lambert, Ford and Holden families are all extremely dedicated and work hands on in their cattle operations and take great pride in the product we produce.

If you have any questions or if you would like additional information on our sale bulls, please feel free to give us a call. We look forward to hearing from you.
